Case No. 1988-0434

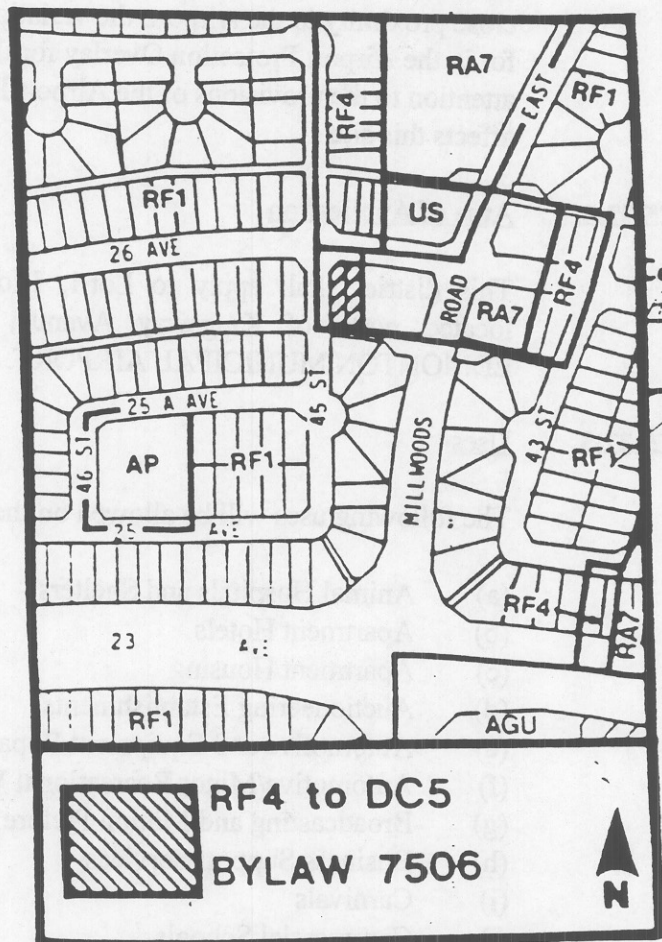

1988-0434

Approved by

By Law 75006

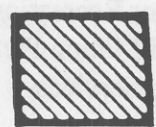

Jan 24 1991

To establish a district for general business use for a site situated in the Education Municipal District which gives specific reference to the building height provisions of the Airport Protection Overlay. While it is recognized that the Airport Protection Overlay does not preclude other uses, the intent of the Airport Protection Overlay is to provide a buffer between the airport and other uses. The Airport Protection Overlay is intended to provide a buffer between the airport and other uses.

Certified a true copy of Schedule as referred to in Bylaw No. 7506
